Message from Building and Grounds

Unity is blessed with so many members' helping hands that it is hard to keep up. This is terrific but it has caused a little chaos, confusion, and frustration where one volunteer's good intentions cancel out another volunteer's work.

In order to get some sense of the many "projects" and other activities that many gracious members have undertaken, B&G is asking members, individually and as committees, to coordinate through us. Giving us a little lead time, please notify us of your plans and projects if they have anything to do with maintenance and upkeep of the building, grounds, kitchen and graveyard. Please, do not assume that we are already aware of your intentions.

B&G would like to keep a running log of current and proposed activities at the church that you will be able to reference so that there is no duplication of effort or unnecessary expenditures. The log will include your name or committee member contact, the project proposed or already started. It will be kept in the church office. We plan to post a sheet of projects on the bulletin board for members to see and maybe join as a volunteer. Thank you for your help.
